

Slender Essence is a product that works with the body's enzymes in order to speed up metabolism and burn fat without any ephedra/ma huang/guarana!

Slender Essence ~ Metabolic & Enzyme Enhancer Overview

All of the following ingredients are found in the Slender Essence product.

Calcium Alpha Ketoglutarate- 400mg. Works with the Krebs's cycle, produces ATP, increases endurance and stamina.

Rhodiola Rosea- 250mg. This standardized extract (3% rosavin, 1.5% salidroside) increases energy (adaptagen), blocks cortisol and acts as an appetite suppressant.

Coleus Forskohlii- 250mg. This standardized extract (20%) produces ATP which burns fat, stimulates the thyroid to produce weight loss.

Caffeine- 200mg. Produces energy and burns fat.

Octopamine HCL- 100mg. Mobilizes fat so it can be burned (citrus-based), acts as a slight appetite suppressant and stimulant.

Alpha Lipoic Acid- 100mg. Insulin potentiator which utilizes fats, moderates blood sugar levels, may be effective in treating Parkinson's, generating energy, protects the liver from alcohol damage as well as the lungs from smoke damage.

Protease AO- (Aspergillus Oryzae) 30,000 HUT units. Breaks down proteins into simple amino acids, stimulates the immune system, supports the liver and reduces spicules, separates red blood cells (protein linkage, rouleau, erythrocyte aggregation).

Lipase AN- (Aspergillus Niger) 1,280 FIP units. Breaks down fat molecules or tryglycerides into three simple fatty acids.
